

**The British Sub-Aqua Club is a non-profit making organisation
for people who enjoy diving or who want to learn.**

Diana Jarvis is a member of Moraira-Teulada U3A and of Jávea U3A. She is also the leader of our Mah Jong group.

Diana writes:

I am the Chairperson of the local branch of the British Sub-Aqua Club here on the Costa Blanca.

We are a highly qualified group of divers living between Calpe, Jalon, Moraira, Jávea and Denia. There are a good many divers and ex-divers living here and we would encourage them to come back to diving.

We are also in a good position to give quality training to anyone who would like to learn.

Could you link our website to yours in order to make more people aware that this area of Spain is an ideal place to dive.

I have given some thought to a Sub-Aqua group for both U3As, but because of the tremendous amount of training, legalities, safety at sea and insurance requirements, I think it would be best if our U3A members were full members of the British Sub-Aqua Club.

It is the biggest in the world with over 14,000+ members worldwide!
